## REGISTRATION INFORMATION

### Introduction Courses

Registrations will be processed within three business days.

**Introduction to Group Benefits in Canada (EC03)**  
(Adopted from the Canadian Group Life and Health Primer Course)

Course fee .....  \$195

The content for this online course—Introduction to Group Benefits in Canada—is taken from the Canadian Group Life and Health Online Primer Course developed by Dalhousie University in partnership with the insurance industry, specifically for those selling group insurance products and services. Unlike the primer course, this course does not include those modules addressing the specifics on the Life Cycle of Group Benefit Plans covering prospecting, quoting/proposing/selling, implementing and servicing to termination.

**Introduction to Group Retirement Plans in Canada (EC04)**  
(Adopted from the Canadian Group Retirement Plans Primer Course)

Course fee .....  \$195

The content for this online course—Introduction to Group Retirement Plans in Canada—is taken from the Canadian Group Retirement Plans Online Primer Course developed by Dalhousie University in partnership with the insurance industry specifically for those selling group retirement products and services. Unlike the primer course, this course does not include those modules addressing the specifics on the Life Cycle of CAP Accounts from the Insurer’s Perspective.
