CONCEPT: La Costa Resort and Spa is the place to enjoy world-class golf on two championship courses both beautiful and traditional in design. La Costa was most recently home of the World Golf Championships - Accenture Match Play Championship.

DESCRIPTION: NORTH GOLF COURSE Designed by Dick Wilson the North Course is impressive. From most tees the North Course is a little longer than the South course with a few more lakes that come into play. The landing areas are slightly larger with fewer narrow tree lined fairways. One of the most enjoyable experiences in the North Course is teeing off on the same 1st tee as many legends of the game; Jack Nicklaus, Tiger Woods, Lee Trevino, Arnold Palmer etc.

YARDAGE • BACK TEES:	7094 Yards	Rating 74.9	Slope 141
YARDAGE • BACK TEES:	5939 Yards	Rating 76.3	Slope 137

DESCRIPTION (CONT.) SOUTH GOLF COURSE Ranked in the top 100 courses in the U.S. by Golf Magazine This exceptional design by Dick Wilson has been known to be a little more difficult than the North Course. Although it is slightly shorter most people find the narrow fairways and the first five holes to be arduous. A narrow creek that winds through this course comes into play on 12 of the 18 holes. Finishing on the same 9 holes that the PGA Tour finishes on is a nice experience while at the same time a difficult one considering the PGA Tour nickname for the final 5 holes on the South Course is the “longest mile” on the PGA Tour.
