

Julia Ainsworth, M.Sc., CFA

**Associate Director Investments
Blue Bridge
Montreal, Quebec**

Julia Ainsworth is a member of the Blue Bridge Investment Team and works to manage client portfolios and select investment managers. She is also leading the establishment of Blue Bridge's responsible investment platform. Prior to joining Blue Bridge in 2019, Ainsworth worked as an investment advisor at Desjardins Securities and as a client relationship manager at Richter Family Office. Her career started in 2008 with Investors Group. She earned a bachelor of science degree in honours biochemistry (2005) and a master of science degree in microbiology and immunology (2007) at McGill University. Ainsworth obtained the Chartered Financial Analyst (CFA) designation in 2013 and is currently studying to obtain the CFA Certificate in ESG Investing.
