

**Hannan Allen**

**Senior Vice President, Consultant Relations  
Judi Health | Capital Rx  
New York, New York**

Hannan Allen joined Judi Health | Capital Rx as senior vice president in 2025, bringing nearly 30 years of leadership and consulting expertise focused on progressive benefit strategy, supply chain management, PBM operations and account management. In his role, he helps drive Judi Health's channel partnership strategy and growth, focusing on strong collaboration with benefits brokers and consultants serving commercial employers, Taft-Hartley plans, public-sector organizations, hospital systems, and higher education institutions. Before joining Judi Health, Hannan held senior leadership roles within the pharmacy practices at Marsh McLennan Agency, Arthur J. Gallagher, and Aon Hewitt. He also co founded EmpiRx Health and served as its president from 2014 to 2018.
