

## **Gianmarco Antonacci, CFA, ACIA, ASA**

Principal, Investment Consulting  
Normandin Beaudry  
Montréal, Québec

---

Gianmarco Antonacci is a Principal in Investment Consulting at Normandin Beaudry. He advises institutional investors on strategic asset allocation, ALM studies, manager selection and oversight, risk management and governance. Since joining the firm in 2018, Gianmarco has worked with a broad range of clients, including pension plans, foundations and capital accumulation plans. He co-leads Normandin Beaudry's Long-Term Capital Market Assumptions team, supporting the development of the stochastic models. Gianmarco is also a member of the firm's group annuity expert team.

He holds a bachelor's degree in actuarial mathematics and finance from Concordia University. Gianmarco is a CFA charterholder and an Associate of both the Society of Actuaries (ASA) and the Canadian Institute of Actuaries (ACIA).
