

Frank R. Campbell, Ph.D., LCSW, C.T

Executive Director Emeritus
Baton Rouge Crisis Intervention Center
Baton Rouge, Louisiana

Frank R. Campbell is the Founder of the National Suicidology Training Center (NSTC), Developer of the Active Postvention Model (APM) known as the LOSS Team (Local Outreach to Suicide Survivors).

DR. Campbell is also a volunteer Assistant Coroner in East Baton Rouge Parish and Executive Director Emeritus of the Baton Rouge Crisis Intervention Center, in his hometown of Baton Rouge, La. In addition to his volunteer activities, he is the Senior Consultant for Campbell and Associates Consulting where he consults with communities on Active Postvention efforts and Forensic Suicidology cases. During his forty years of working with those bereaved by suicide he introduced his Active Postvention Model (APM) in 1997 it is most commonly known as the LOSS Team (Local Outreach to Suicide Survivors). Dr. Campbell in addition to providing individual therapy and trauma resolution counseling to Survivors of Suicide has also co-facilitated a weekly closed SOS group for over 25 years. It was with the help of Survivors of Suicide focus groups he developed many of the approaches that survivors said helped them the most. His work with survivors and victims of trauma has been featured in three discovery channel documentaries, professional journals and book chapters. He is a past-president of the American Association of Suicidology, a recipient of both national and international awards for his contributions and a Certified Thanatologist. Dr. Campbell is also a veteran and is most proud to have been a consultant and contributor to the TAPS program for military family members who attend the survivor seminars and National programs for fifteen years. To learn more about his work in the field of Suicidology you can visit his website www.lossteam.com or the NSTC at www.BRCIC.org
