

## **Tim Clement**

Vice President of Federal Government Affairs  
Mental Health America  
Alexandria, Virginia

---

Tim Clement is the Vice President of Federal Government Affairs at Mental Health America. Tim drafts legislation, works with Congress, and partners with federal regulatory agencies, all for the purpose of advancing substantive and impactful mental health policy. Tim has been working in mental health policy and advocacy for over ten years, previously working for the American Psychiatric Association and before that the Kennedy Forum.
