

Errico Cocchi, M.Sc., CFA

Head of Pension Investments and Debt Financing

Ville de Montréal

Montréal, Québec

Errico Cocchi is head of pension investments and debt financing at the City of Montréal. He leads a team responsible for investing the assets of the City's pension plans, treasury and sinking fund, evaluated at over \$14 billion. Moreover, Errico's team is responsible for the management (issuance) of the City's borrowing program, worth around \$1 billion annually. He holds a master's degree of finance and economics from Sherbrooke University and holds the CFA designation.
