

Andrew Cogan, M.B.A.

**Managing Director and Portfolio Manager of
Fengate Asset Management
Toronto, Ontario**

As portfolio manager of the Infrastructure Yield Fund (the Fund), Andrew Cogan is the executive responsible for all aspects of the Fund including the Fund's investment strategy, fundraising, investments, and asset management for the Fund's assets. Previous to his current role, Andrew was a senior member of the Infrastructure's investment team where he led several investments for Infrastructure Fund III (FIF3) as well as other legacy accounts and funds. Andrew joined Fengate in 2014. Prior to joining Fengate Infrastructure, Andrew worked at CIBC World Markets as a director advising on mergers and acquisitions, and debt and equity financing for the North American power and utilities sector. Before CIBC, he was with Accenture as a strategy consultant. Andrew's infrastructure focus areas include: renewables, regulated utilities, digital, social and transportation infrastructure. Andrew holds a Master of Business Administration degree from the Richard Ivey School of Business.
