

Stéphane Corriveau, ASA

**President, Managing Director and Chief Compliance Officer
AlphaFixe Capital
Montreal, Quebec**

As one of the founding partners of AlphaFixe, Stéphane Corriveau is responsible for the strategic development of the firm and customer service. He is also responsible for the design of the liability-driven investment (LDI) mandates. Corriveau is supporting Sébastien Rhéaume in the development of the corporate bond strategies and participates in the establishment of active management mandates. With his strong training and experience in actuarial sciences, Corriveau understands the issues faced by pension funds and insurance companies, both from the point of view of the assets and the liabilities. Before founding AlphaFixe Capital, Corriveau was vice president, immunization and structured products with Addenda Capital where he worked for nine years. In addition, he worked for nine years as an actuary for Munich Re and St-Laurent Reinsurance Company. Corriveau holds a bachelor's degree in actuarial science from Laval University and is an associate of the Society of Actuaries (ASA).
