

Gabrielle Côté

Pharmacist

Beneva

Montréal, Québec

Gabrielle Côté has been working in the Group Insurance sector at Beneva since 2021 and is part of the leadership team for pharmaceutical expertise and high-cost drug management. Passionate about cost management strategies, she has developed strong expertise in this area. Creative, ambitious, and persevering, Gabrielle is deeply aligned with Beneva's human-centered values and appreciates being part of an organization that puts people first. She holds a bachelor of pharmacy degree from the Université Laval, obtained in 2011. Prior to joining Beneva, Gabrielle worked as a community pharmacist for nearly ten years and was also a pharmacist-owner.
