

Chris Crawford, CPA

**Chief Growth Officer
VIVIO Health
San Leandro, California**

Chris advocates for employers and plan sponsors seeking meaningful change within the pharmacy benefits industry. Before joining VIVIO Health in 2021, Chris spent almost 20 years in employee benefits consulting, working with many of the world's leading employers on innovative strategies to manage their medical and pharmacy benefit plans. At VIVIO, Chris works with employers, brokers, and consultants seeking to improve health outcomes for those on specialty drugs, while also reducing specialty drug costs for employers and their members. Chris holds a B.S. degree in accounting from the University of Illinois Urbana-Champaign, where he also passed the CPA exam.
