

**Amanda Cronk, CPA**

**Audit Principal  
Plante Moran  
Flint, Michigan**

Amanda Cronk is an audit principal at Plante Moran with over 17 years of experience providing assurance and consulting services for multi-employer Taft-Hartley and public plans. She focuses on defined contribution, defined benefit, and health and welfare plans, with a specialized focus on health and welfare plans. She also has extensive experience with accounting and auditing harder-to-value investments. While these types of investments offer specific challenges, her experience allows for effective and efficient solutions to these challenges. Amanda is a certified public accountant (CPA) and obtained her bachelor's degree from Saginaw Valley State University.
