

## **Andre Crook**

**Business Representative  
International Brotherhood of Electrical Workers, Local 58  
Detroit, Michigan**

Andre Crook is currently a business representative with International Brotherhood of Electrical Workers (IBEW) Local 58, Detroit, Michigan, where he has been a member since 2007. Crook entered as an apprentice only to complete his training to become a licensed journeyman inside wireman. He is very active in the Local, including but not limited to servicing the City of Detroit Contractors as a business agent, serving as a trustee for six years and acting as the current president of the southeastern chapter of the Electrical Workers Minority Caucus (EWMC). Most recently, Crook has taken an active role in onboarding and coordinating the new market of EV charging within the electrical industry. Crook graciously volunteers his time and knowledge to the IBEW membership and contractors from the local level to international IBEW standards.
