

**Michael L. De Juan**

**Senior Vice President and Director of Portfolio Strategy,  
Global Asset Allocation  
Northern Trust  
Toronto, Ontario**

Michael L. De Juan is senior vice president and director of portfolio strategy, global asset allocation. He oversees the global portfolio construction desk, Canadian multi-manager funds and investment oversight functions for third-party investment platforms. De Juan is supported by a team of portfolio strategists engaged in asset allocation, portfolio construction, quantitative research and investment risk measurement. He joined Northern Trust in 2001 as a research analyst for multi-manager investments, providing external manager research, due diligence and monitoring support for Canada's suite of multi-manager funds, which his team currently manages. Prior to joining Northern Trust, De Juan spent four years in several investment and finance positions with Laketon Investment Management and Spectrum Investments (a subsidiary of Sun Life Assurance). He earned his bachelor of commerce degree majoring in accounting and finance at Ryerson University and completed a master's degree in finance with additional modules in financial technology and artificial intelligence at Smith School of Business, Queen's University. De Juan also holds the Chartered Investment Manager (CIM®) and Chartered Alternative Investment Analyst (CAIA) designations.
