Director, Member Experience  
CSS Pension Plan  
Saskatoon, Saskatchewan

---

Tami Dove is the Director, Member Experience at the CSS Pension Plan, where she leads initiatives to strengthen financial literacy, member engagement, and retirement confidence. With over 25 years of experience in pensions and financial education, she is passionate about helping workplaces translate financial wellness into meaningful support that improves both employee outcomes and organizational performance.

Tami holds an MBA and is completing her Doctor of Business Administration, with research focused on financial decision-making and member behaviour. She is a Fellow of the Credit Union Institute of Canada (FCUIC), serves on various pension industry councils and boards, and contributes to FP Canada's Conduct Review Panel. Tami is a frequent speaker on financial wellness, workplace education, and building practical strategies that empower employees to take control of their financial futures.
