

Carl Elia, M.B.A., CFA

**Vice President and Director, Infrastructure Investments
TD Asset Management
Montréal, Québec**

Carl Elia is vice president and director of infrastructure investments with TD Asset Management, responsible for private, direct infrastructure investments. He has been with TD for more than five years, supporting the growth of its \$2 billion infrastructure fund. Carl has more than 13 years of experience with private asset classes. Prior to TD, he worked in private equity at a Canadian mid-market fund and in infrastructure investing at Brookfield Asset Management. Carl has an M.B.A. degree from the University of Toronto and is a CFA charterholder.
