

Brian Farmer

**Apprenticeship Coordinator
Cement Masons, Plasterers & Shophands, Local 633 JATC
Training Center
New Brighton, Minnesota**

Brian Farmer is the apprenticeship coordinator for the Local 633 JATC Training Center. He has been involved in the concrete industry since 1996. Farmer started his journey with a small nonunion company and then took a break from the industry to serve in the U.S. Navy. He later became an apprentice with the Cement Masons, Plasterers & Shophands Local 633 and advanced to journeyman in 2011. Farmer achieved Apprentice of the Year and various industry certifications in his role as a cement mason. He became an instructor at the Local 633 Training Center in 2016 and took over as apprenticeship coordinator in 2018.
