

Annie Fitzgerald, CHES

**Manager, Well-Being Strategy & Health Solutions
Business Health Coalition
St. Louis, Missouri**

Annie Fitzgerald, CHES®, has been with the St. Louis Area Business Health Coalition since 2019. As manager of well-being strategy and health solutions, Fitzgerald is responsible for administering the BHC's suite of health improvement resources, including worksite well-being campaigns, professional certifications and trainings, and group purchasing opportunities. She is also dedicated to assessing health solutions and connecting employers with information to select the right vendor partner for their populations. Fitzgerald is certified as a Health Education Specialist, a CPR instructor through the American Heart Association and a trainer for the CDC's Work@Health program. She holds a bachelor of health science degree in community, worksite and public health from Truman State University.
