

**Sain Godil, M.Sc., CFA**

**Portfolio Manager  
Global Alpha Capital Management Ltd.  
Montréal, Québec**

Sain Godil is a portfolio manager at Global Alpha Capital Management Ltd., responsible for North America and Israel, as well as global coverage of the financial and telecom sectors and stock screening. Prior to joining the firm in 2010 as a junior analyst, Sain was an asset manager for ICICI, India's second largest bank. He previously held a manager position at Vinray Education, served as a research associate at Industrial Alliance Securities and also worked at Abitibi Bowater as a logistics analyst, in addition to short-term contracts with CareFusion Corp. (a spinoff of Cardinal Health Inc.) and Nordia, Inc. He graduated with great distinction from Goa University in 1999, earned a master of administration (finance) degree in 2013 from the John Molson School of Business at Concordia University and received the Calvin Potter Fellowship from Concordia's Kenneth Woods Portfolio Management Program. Sain is also a CFA charterholder.
