

John Guttag, Ph.D.

**Chief Technology Officer
Health at Scale
Boston, Massachusetts**

John Guttag is the CTO of Health at Scale, the Dugald C. Jackson Professor of Electrical Engineering and Computer Science (EECS) at MIT, and the former chair of the EECS department at MIT. Guttag is a fellow of the AAAS and ACM. He leads the data-driven medicine group at MIT and is a principal investigator for the Big Data Initiative at CSAIL. Before joining Health at Scale, Guttag was on the board of Revco Pharmacies, Avid Technologies and Empirix. Guttag is an alumnus of Brown University and earned his Ph.D. degree from the University of Toronto.
