

Jason Haas

Senior Vice President
Marsh McLennan Agency (MMA)
Orland Park, Illinois

Jason Haas is a Senior Vice President, dedicated to client management and new business development for MMA's Multiemployer Consulting Practice. He leads a team of Taft-Hartley actuarial and underwriting experts dedicated to delivering unique and market-leading tools to over thirty collectively bargained health and pension plans across the country.

Jason provides innovative benefits consulting advice to Boards of Trustees around all aspects of health plan management including plan design, vendor management, forecasts, budget projections, rate setting, data analytics and compliance. Jason also works closely with MMA's Risk Advisory team to help grow its middle market presence in bringing Property & Casualty solutions to Taft-Hartley benefit funds (fiduciary liability, fidelity bond, cyber liability and employment practices liability insurance), construction, manufacturing and Local Union Hall and Apprenticeship Training Facilities.

Jason brings 12+ years of multiemployer industry experience to MMA and has built a strong reputation in the benefits world. He consults to multiple crafts across the United States including, IBEW/NECA, Plumbers & Pipefitters, Iron Workers, Teamsters, UFCW, Sheet Metal, Bricklayers and Laborers. He is known for earning the trust of prospects and clients, developing and strengthening deep relationships by regularly providing new industry knowledge and solutions for his clients.
