

Andrew Janz, ASA, CFA

**Vice President and Institutional Portfolio Manager
PH&N Institutional
Vancouver, British Columbia**

Andrew Janz is an institutional portfolio manager at PH&N who specializes in structuring and developing solutions within an asset-liability risk management framework. Prior to joining the firm, he was a director for the liability driven investment team at Fiera Capital. Andrew was also a consultant at PBI Actuarial Consultants, where his focus was on providing guidance in areas such as investment policy, performance monitoring and manager selection within a broader LDI risk management context. Other prior experiences include positions as an actuarial and investment analyst at a major global consulting firm. He holds a bachelor of mathematics (B.Sc.) degree from Simon Fraser University and is an associate of the Society of Actuaries (ASA) as well as a CFA charterholder.
