

Oneka Jenkins

Instructor

**Minnesota Statewide Limited Energy JATC
Fridley, Minnesota**

Ms. Jenkins is an instructor with Minnesota Statewide Limited Energy JATC teaching apprentices and continuing education classes. She has been in the electrical industry for many years and is an IBEW low voltage electrical journeyman technician. During her time in the electrical industry, Ms. Jenkins has been an IBEW business representative, a general foreman, a foreman, a journeyman installer and an apprentice. She has been training new apprentices in the low voltage electrical trade and has established a financial readiness course to help the new apprentices with the highs and lows of the construction trade.
