

Christine Kannler, M.D., FAAD

Dermatologist

Northeast Dermatology Associates, P.C.

North Andover, Massachusetts

Dr. Christine Kannler is a dermatologist and Mohs micrographic surgeon in North Andover, Massachusetts and Manchester, New Hampshire, where she has been practicing for over 22 years. Her interest in occupational cancer started when her 36-year-old firefighter brother was diagnosed with stage 4 esophageal cancer. Since 2018, Dr. Kannler has been donating her valuable expertise and time to provide free, potentially life-saving skin cancer screenings to firefighters across the state of Massachusetts and the United States as part of the American Academy of Dermatology's skin cancer screening program. She is also an active member of the American Society for Dermatologic Surgery (ASDS) and the American College of Mohs Micrographic Surgery and Cutaneous Oncology, and she has served as the president of the New Hampshire Society of Dermatology. Dr. Kannler completed an internal medicine residency prior to her dermatology training.
