

Yusuke Khan, CFA, FRM

**Partner, Canada Investments Leader
Mercer
Montreal, Quebec**

Yusuke serves as investments leader for the wealth business in Canada and oversees Mercer Canada's investment strategic research efforts. Yusuke works with institutional investors such as pension plans, foundations and financial institutions in the planning, implementation and monitoring of their investment strategies. In particular, he specializes in the analysis of asset allocation options, the structuring of portfolios, and in the selection of investment management firms. Yusuke joined Mercer in 2018, through the acquisition of Pavilion Advisory Group Ltd., after having worked as an investment consultant to Pavilion's institutional clients since 1999. He is a CFA® Charterholder, holds the FRM designation and is a graduate of McGill University in Montreal.
