

Brad Kulifay

Administrator, Strategic Project Owner

Mid-America Carpenters Regional Council Benefit Funds, LLC

Saint Louis, Missouri

Brad Kulifay is an Administrator and Strategic Project Owner for Mid-America Carpenters Benefits, where he serves as the Midwest Regional Director for the St. Louis–Kansas City Region.

Brad has spent his career in multiemployer employee benefits, progressing through leadership roles in claims, member services, retirement services, operations and fund administration. He currently serves as Administrator for the St. Louis–Kansas City Funds, overseeing the Annuity and Vacation Funds, and served as Administrator for the St. Louis–Kansas City Health and Pension Funds, as well as multiple Central Illinois funds.

In his current strategic role, Brad is responsible for the implementation of a multi-year initiative to merge 15 pension plans into the Mid-America Carpenters Pension Fund. He has supported the successful merger of three pension plans totaling approximately 50k participants, in addition to a health plan merger of 100k+ lives and a corporation merger of 130+ employees. His experience includes administration, system implementation, organizational integration, and trustee relations.

Brad holds a B.S. in Criminology from Missouri State University, with emphases in Mechanical Engineering and Communications.
