

Alan Larson

**Director of Information Technology
Carpenter Funds Administrative Office of Northern California
Oakland, California**

Mr. Larson brings more than 30 years of experience in the technology industry, with a proven track record across corporate, education, health care, and nonprofit sectors. He has served in senior leadership roles, including chief information officer, technology director, president and chief engineer, and he has owned and operated a successful IT services company. In his most recent role as director of IT for the Carpenter Funds Administrative Office of Northern California, Mr. Larson applied his broad technical and strategic expertise to optimize technology and business solutions. His work focused on improving operational efficiency and enhancing services for fund participants through effective, reliable and secure technology systems.
