

Angela Luong
Clinical Consultant
Pharmaceutical Strategies Group
Dallas, Texas

Angela Luong is a clinical consultant with Pharmaceutical Strategies Group (PSG). She joined PSG in July 2021, bringing her integrated specialty management approach and insight into specialty innovated solutions to serve clients. Her unique ability to identify trend drivers, keep up with relevant market changes and notable outliers, and provide clinical and operational solutions to pharmacy and medical vendors has quickly gained clients' attention. Luong has extensive experience in various positions throughout the pharmacy benefit management realm, including benefit operations, Medicare Part D clinical utilization management programs, commercial utilization management programs, commercial and Medicare Part B medical policy strategies, specialty trend management and clinical programs, specialty pharmacy network management and manufacture clinical engagement. Luong has over 12 years of experience in managed care, following her doctorate of pharmacy training from the University of Michigan College of Pharmacy. Angela completed a PGY-1 managed care residency, focusing on data analytics, consulting and specialty medication management.
