

Danny Martin, FCIA, FSA,
Principal, Head of Investment and Risk Management
Eckler Ltd.
Montreal, Quebec

A principal at Eckler, Danny Martin leads the risk and investment practice in the Montreal office. Throughout his career, he has been involved in several mandates of investment policy work, investment management structure implementation, performance monitoring, selection of investment managers, asset liability studies and development of integrated risk management strategies for pension funds. Martin has particular expertise in the design, implementation and optimization of defined contribution pension plans and other capital accumulation plans. He is a fellow of the Canadian Institute of Actuaries and the Society of Actuaries, and he holds a bachelor's degree in actuarial science from Laval University.
