

**James J. McKeogh, FCA, FSA, MAAA**

**Founder**

**The McKeogh Company**

**West Conshohocken, Pennsylvania**

Mr. McKeogh is the former president of the McKeogh Company, an actuarial firm he founded in 1999. He entered the actuarial profession in 1975 when joining The Wyatt Company and served as managing consultant of the firm's Philadelphia office. Mr. McKeogh also served with the Towers Perrin actuarial consulting firm for several years prior to establishing his company. He has extensive experience in the design of retirement programs for major corporations and multiemployer plans. Mr. McKeogh has also designed asset-liability studies and helped implement dedicated bond portfolios for two of his clients. He is a frequent speaker on multiemployer plan topics and has spoken at meetings of enrolled actuaries, the Society of Actuaries, the Conference of Consulting Actuaries and the International Foundation of Employee Benefit Plans. Mr. McKeogh has a B.A. degree in mathematics from LaSalle University and an M.A. degree in mathematics from Villanova University. He is a fellow of the Society of Actuaries, a member of the American Academy of Actuaries, a fellow of the Conference of Consulting Actuaries and an enrolled actuary under ERISA. Mr. McKeogh was the founding chairperson of the American Academy of Actuaries Task Force for Multiemployer Plans.
