**Senior Consultant  
SAI Actuarial Services  
Montréal, Québec**

Sarah Mckeown Guérette is a senior actuarial consultant at SAI Actuarial Services and has more than ten years of pension consulting experience. Since the start of her career, she has worked in actuarial consulting firms, mainly specializing in the administration and actuarial consulting for defined benefit pension plans registered in Québec and Ontario. Sarah has developed an expertise with respect to multi-jurisdictional pension plans in the private sector across a broad range of industries as well as in the municipal sector and with target benefit plans. She has been involved in various mandates, including plan design modifications, the implementation of new pension plans and annuity purchases, in addition to day-to-day administration and pension consulting mandates. Sarah holds a bachelor's degree in mathematics with a specialization in actuarial science from Concordia University, from which she graduated in 2013. She is a fellow of both the Canadian Institute of Actuaries and the Society of Actuaries.
