

Eric Mooney, CFA

**Investment Solutions Executive
Group Retirement Services
Sun Life
Toronto, Ontario**

Eric Mooney is an investment solutions executive in the group retirement services business at Sun Life. Mooney focuses on the governance and oversight of investment managers on investments offered through Sun Life's core investment platform. In addition, he assists clients with investment reviews and fund selection, and he provides insights in DC investment trends. Recently, he developed Sun Life's GRS proprietary ESG evaluation framework, which helps make it easier for sponsors to make informed decisions about sustainable investments in their plans and to engage investment managers to become ESG integration leaders. Mooney is also one of the participants on a Canadian Association of Pension Supervisory Authorities (CAPSA) industry working group that is developing a principles-based guideline for the integration of ESG factors in pension fund investment and risk management. Mooney has an honours bachelor of commerce degree from Ontario Tech University, holds the Chartered Financial Analyst (CFA) designation and is a member of the Toronto CFA Society.
