

Matthew Morfoot

**Administrative Manager
San Diego Electrical Industry Administrative Corp.
San Diego, California**

Matt Morfoot is the administrative manager of the San Diego Electrical Industry Trusts located in San Diego, California. The Industry Trusts consist of a health and welfare plan, a defined benefit plan, a drug-testing program, and an annuity plan. The Plans serve the approximately 3,000 participants of IBEW Local 569 and 7,500 total lives in both San Diego and Imperial Counties in Southern California. Matt is a graduate of the International Foundation's Administrators Masters Program (AMP®). Having both a bachelor's degree in accounting (CPA) and a master's degree in business administration, Matt has served in the Taft-Hartley industry for over 20 years.
