

Wen Ning, ASA, MAAA

Actuary

Horizon Actuarial Services, LLC

Irvine, California

Wen Ning is an actuary based in the Irvine, California office of Horizon Actuarial. Ning began his career at Milliman in Milwaukee where he worked on various projects in the health department, including commercial pricing, benefit designs and data analysis, before joining the Health and Welfare team at Horizon to focus on the Taft-Hartley space. Ning graduated from the University of Michigan–Ann Arbor with a B.S. degree in actuarial mathematics.
