

Jean-François Paquin, M.Sc., CFA, FCIA, FSA

**Chief Investment Officer
Université de Montréal
Montréal, Québec**

Jean-François Paquin is the chief investment officer at the Université de Montréal. In this role, he supervises the investment strategy of the pension plan and the endowment fund. Jean-François has amassed extensive experience in investment strategy and asset allocation. Before joining the Université de Montréal, he was vice president, asset allocation, at one of the largest Canadian corporate pension plans, overseeing tactical and strategic asset allocation and contributing to the overall portfolio performance. Over the last 20 years, Jean-François has also worked at several major Canadian pension funds, where he was involved in asset allocation decisions and assessment of macroeconomic outlook. He holds a master of science degree in applied finance from the Université du Québec à Montréal (UQAM) and a bachelor of science degree in actuarial science from Université Laval. Jean-François is also a Fellow of the Society of Actuaries (FSA), a Fellow of the Canadian Institute of Actuaries (FCIA) as well as a CFA charterholder.
