

Jean-Eric Parisien, CFA
Manager, Client Relationships
Global Alpha Capital Management Ltd.
Montréal, Québec

Jean-Eric Parisien is the manager of client relationships at Global Alpha Capital Management, where he is responsible for maintaining and growing Global Alpha's relationships with institutional investors, including pension plans (public and private), family offices, foundations, and endowments. He has been working with institutional clients for over 15 years. Prior to joining Global Alpha in 2019, Jean-Eric served as an investment solutions executive at Sun Life Financial, advising defined benefits and defined contribution pension plans on asset allocation, fund selection, plan design, fund mapping and other investment related topics. He also held a business development position at BlackRock where he developed complex portfolio solutions for large institutional investors including traditional and alternatives investment strategies. Prior to that, Jean-Eric spent multiple years at Standard Life where he held a variety of roles leading up to consultant, investment governance, responsible for fund selection and monitoring of the investment platform offered to clients. He holds a B.A. degree in finance from HEC Montréal and is a CFA charterholder.
