

Euan Reid, FCIA, FIA

**Principal
Eckler Ltd.**

Vancouver, British Columbia

Euan Reid's straight-talking approach helps his clients, whether they are lay trustees or financial experts, focus on the issues that matter. With more than 15 years of experience in Canada and the UK, he has advised clients in the public and private sectors on pensions, capital adequacy and risk management. Reid joined Eckler in 2017 and is a principal in the firm's Vancouver office. He consults to pension plans, workers' compensation boards and class action compensation arrangements. His areas of expertise include longevity risk management, asset/liability modelling and the valuation of public sector pension plans. Before joining Eckler, Reid was a partner in a similar consulting firm in London, UK. He has published articles on longevity risk and pension risk transfer, and he has presented at industry conferences on topics including provincial pension funding requirements and actuarial funding approaches for public sector pension plans. Reid graduated from Durham University with a master's degree in mathematics. He is a fellow of the Canadian Institute of Actuaries (FCIA) and a fellow of the Institute and Faculty of Actuaries (FIA).
