

**Lee Riggs**

**Administrator, Benefits and Pension Plans  
International Union of Operating Engineers Local 115  
Burnaby, British Columbia**

Lee Riggs is the administrator for the benefits and pension plans at the International Union of Operating Engineers Local 115. He also currently serves as a director at Pacific Blue Cross. Prior to joining the Operating Engineers, Riggs served as the national president of the Telecommunications Workers Union, United Steelworkers Local 1944, where he also co-chaired the pension and LTD plan for over a decade. He has an extensive background as a director on multiple boards and as a fiduciary. Riggs has also served on the board of Concert Properties and Concert Infrastructure Ltd. as a director, he was a founding director at Castle 1 Investments, and he served on the Investment Committee at ACM Advisors. He brings pension, benefits, investment, negotiation and labour union experience to his many roles. Riggs has most recently completed his Master of Trust Management Standards (MTMS) from the International Foundation of Employee Benefit Plans.
