**Chief Growth Officer  
Evernorth Care Solutions  
Atlanta, Georgia**

Damon Sgrignoli is the chief growth officer of Evernorth's Care Solutions. As an experienced cross-discipline leader, creative thinker and persuasive storyteller, he's built partnerships, rapidly grown sales teams and expanded revenue for organizations ranging from turn-arounds to nimble VC-backed growth companies to Fortune 500 enterprises such as Optum, Pfizer and Marsh/Mercer. Sgrignoli is also the founder of Spoke Advisory, a business development consultancy that leads growth-focused change for digital health care companies and investors through strategic investigation and spirited conversation. While the knowledge, skills and connections he's gained are unique to each experience, Sgrignoli's guiding purpose remains the same: help more people create, sustain and share a healthier life.
