

Mazen Shakeel, FCIA, FSA

**Partner and Practice Leader, Investments and Risk
LifeWorks
Toronto, Ontario**

Mazen Shakeel leads LifeWorks' (formerly Morneau Shepell) Investments and Risk Practice. This team supports clients with investment consulting, outsourced chief investment officer (OCIO) solutions and pension risk management/transfer consulting. As an actuary with 30 years of experience, Shakeel's previous roles span the retirement consulting and investment worlds for defined benefit and defined contribution (DC) plans. Prior to joining LifeWorks, he worked at Sun Life Financial, first as vice president of the Sun Life International Investment Centre and more recently as vice president of market development for the Sun Life Group Retirement Services business. Previously, Shakeel spent more than two decades in the retirement consulting world with Hewitt/Aon Hewitt. He was a member of the ACPM National Policy Committee and CIA Pension Practice Committee and has been actively involved with both organizations on advocacy for improved decumulation options for DC plans.
