

Angie Sorrell, MTMS, RPA

**Executive Director, Logistics Strategy
Ministry of Health
Victoria, British Columbia**

Angie Sorrell is the executive director, logistics strategy with the Ministry of Health. For the 14 years prior to February 2022, she represented the BC Government Pension Plan Partner (the Minister of Finance) in her oversight responsibilities for the four largest public sector pension plans in BC (public service, municipal, teachers', college). Sorrell also represented the Minister of Finance in her role as the BC Steward of the Canada Pension Plan. She was a trustee on the Municipal Pension Board of Trustees for fourteen years and, in that time, participated on every committee of the board and chaired the Governance Committee. Sorrell is a trustee on the Public Service Pension Board of Trustees, since 2018, and is currently chairing the Responsible Investment Committee. She holds an undergraduate degree in political science and a master's degree in public administration. Sorrell has completed the International Foundation of Employee Benefit Plans' Master of Trust Management Standards (MTMS) program. She has also qualified for the Retirement Plans Associate (RPA) designation and obtained her Chartered Director designation.
