

Andrew Stephenson, M.B.A.

Vice President of North America
HBD International
Enola, Pennsylvania

Andrew has 20 years of experience in health promotion and has designed, implemented and managed award-winning workplace health programs across multiple industries. He is a published writer and international speaker, with experience as a keynote at both health and safety-focused conferences in the United States and Europe. Andrew has expertise in health promotion engagement, behavior change, safety, and neuroscience. Andrew has a bachelor's degree in exercise science and an M.B.A. degree. Through work with organizations at a global level, he has accrued a wealth of experience and insight into what works and what doesn't across diverse populations, work environments, and cultures.
