

Graham Summers, M.B.A.

**President and Chief Market Strategist
Phoenix Capital Research
Charlottesville, Virginia**

Graham Summers is president and chief market strategist of Phoenix Capital Research, an independent investment research firm located in Washington, D.C. with over 42,000 clients located in 60 countries. He is also the best-selling author of *The Everything Bubble: The Endgame for Central Bank Policy*, which obtained “best-seller” status within one day of publication. For over 15 years, Summers has been providing high-impact investment research and strategies to his retail and institutional clients, explaining the “big picture” for the global economy and how to profit from it in the financial markets. He is one of the few analysts on record to have predicted the great financial crisis of 2008. A renowned communicator and strategist, Summers has presented his views on business and finance to audiences in Aspen, Playa Del Carmen, Dubai, Lima, Zurich and elsewhere. His insights have been featured on *MoneyTalk Radio*, *Crain’s New York Business*, *Financial Life Radio*, *CNN Money*, *Marketwatch*, *NY Post*, *Denver Post* (*Huffington Post*), *Rolling Stone*, *Reuters* and others. Summers is a graduate of the Fuqua Business School at Duke University.
