

Alex Tapscott

**Managing Director of the Digital Assets Group
Ninepoint Partners
Toronto, Ontario**

Alex Tapscott is an entrepreneur, writer and seasoned capital markets professional focused on the impact of emerging technologies, such as blockchain and cryptocurrencies, on business, government and society. He is the managing director of the Digital Assets Group at Ninepoint Partners, one of Canada's leading independent asset management firms. Among other things, Ninepoint launched the world's first carbon-neutral Bitcoin ETF (BITC:TSX). Tapscott is also co-author of the critically acclaimed nonfiction bestseller, *Blockchain Revolution*, which has been translated into more than 19 languages and has sold more than 500,000 copies worldwide. His latest book, *Digital Asset Revolution*, was published in June of 2022. Tapscott is sought after for his expertise by business and government audiences. He has delivered well over 200 lectures and executive briefings to business audiences at firms like Goldman Sachs ("Talks at GS"), Google, Allianz, IBM, Microsoft and Accenture. He is consistently ranked as a top influencer in the blockchain industry. His TedX talk, "Blockchain is Eating Wall Street," has been viewed over 800,000 times. Tapscott's writing has been featured in *The New York Times*, *Harvard Business Review*, *The Globe and Mail*, the *National Post*, *TIME*, *Fortune*, and many other publications. In 2017, Tapscott co-founded the Blockchain Research Institute (BRI), a global think tank investigating blockchain strategies, opportunities and use-cases. Previously, Tapscott was an executive at Canaccord Genuity. He is a graduate of Amherst College (cum laude) and is a CFA Charterholder.
