

Rémi Tétreault, MBA, CFA

Associate Vice President, Client Solutions
Trans-Canada Capital
Montréal, Québec

Rémi Tétreault is Associate Vice President, Client Solutions at Trans-Canada Capital (TCC) and acts as the portfolio specialist for TCC's investment strategies. He is in close contact with the portfolio managers of the investment teams to respond as quickly as possible to client, prospect and consultant requests.

With over 15 years of experience, Rémi's main area of expertise includes building clear messaging for complex strategies. Prior to joining TCC, he held the position of Investment Director and Product Manager at major asset management firms, after spending several years as an investment consultant working with DB clients for a consulting firm. Rémi holds a bachelor of applied administration degree in business administration and management from the Université du Québec à Montréal (UQAM), as well as a master of business administration degree from Université Laval. He is also a CFA charterholder.
