

Gary K. Thaden

**Government Affairs Director
Minnesota Mechanical Contractors Association
Minneapolis, Minnesota**

Gary K. Thaden is the government affairs director for the Minnesota Mechanical Contractors Association (MMCA). His responsibilities include labor relations and lobbying services for MMCA and four local chapters of the National Electrical Contractors Association. Thaden serves as a management trustee on the Pipe Trades Services of Minnesota's Health & Welfare, Pension and Retiree Trusts. For 11 years he was the management co-chair of the Labor-Management Health Care Coalition of the Upper Midwest and is a management representative of both the Minnesota State Workers' Compensation and Unemployment Compensation Advisory Councils. Thaden has served on numerous other industry and civic committees, including chair of the Hennepin County Library Board of Trustees, chair of the board of the Minnesota Workers' Compensation Insurers Association and chair of the Minnesota State Bar Association Construction Law Section. He holds a bachelor's degree from the University of Minnesota and a J.D. degree from William Mitchell College of Law.
