As the founder of Stellar Consulting, George K. Tuhowski III serves developers, contractors, manufacturers, service providers and trade organizations nationally and internationally. He entered the industry as an enthusiastic and inquisitive tradesman with an insatiable desire for knowledge. Over four decades, he advanced his career with self-performing commercial general contractors by serving as an impactful operations manager, directing all aspects of corporate strategy and processes. In constant pursuit of best management practices, Tuhowski immersed himself in every aspect of corporate and industry operations. Earning multiple industry and company awards, Tuhowski has served as president, board member or trustee for various organizations, including the Chicagoland AGC, US Green Building Council, Association of Subcontractors & Affiliates, Mid-America Carpenters Regional Council, Carpenters Pension Fund of Illinois, Construction Industry Forum and the Fox Valley AGC. Tuhowski has also been actively engaged with the Illinois Green Alliance, Mid-America Regional Bargaining Association, Society of American Military Engineers, Chicago Climate Action Plan, Built Worlds, Chicago Green Collar Jobs, Lean Construction Institute, 2016 Olympic Bid Committee, USGBC Heartland Regional Council and many others. Tuhowski has presented to industry stakeholders over 150 times as a subject matter expert. He has provided training, education, motivation and insight to appreciative audiences across the U.S. and Canada.
