

Aaron Turner-Phifer

**Director, Health Policy
JDRF
Washington, D.C.**

Aaron Turner-Phifer is the director, health policy at JDRF. He has over a decade of experience advising and crafting public policy at the federal, state and local levels. Turner-Phifer has experience working on health care quality initiatives and public policy that impacts prescription drug benefits; commercial insurance markets; and Medicare, Medicaid and Health Insurance Marketplace enrollees. He is an expert political and policy analyst with a unique understanding of the intricacies associated with health care policy development. He holds a master of health administration degree from the George Washington University.
