

Samuel Vallée, MSc, CAIA, CFA

Associate Portfolio Manager, Multi-Asset Class Solutions
Fiera Capital
Montréal, Québec

Samuel Vallée is an Associate Portfolio Manager on Fiera Capital's Multi-Asset Class Solutions team, where he contributes to portfolio management for the firm's Balanced Funds and Diversified Private Markets Funds. His responsibilities also include designing and implementing strategic asset allocations for institutional and private wealth clients, partnering closely with investment teams across public and private markets to deliver customized, outcome-oriented solutions aligned with client investment objectives.

Samuel joined Fiera Capital in 2020 as a Quantitative Analyst within the same team. He holds a master of science degree in financial engineering and a bachelor of business administration degree from HEC Montréal. Samuel is a Chartered Financial Analyst (CFA) and Chartered Alternative Investment Analyst (CAIA) charterholder.
